Dear Mrs. K. Bartholomew

Please Warm greetings and thanks from Everline your best friend and all the family of mine here in Kenya. How are you with your family and friends going on at this time of the year?

I am well healthy with my family too go to school regularly and my favorite subject is English and my hobbie is to play leg-ball with my friend at school and during holidays we are on cold season because its raining frequently my family are busy on doing chambers activity

Thankyou to have received your communication about your Country and your favorite communication "letter" which you send it to me I have read about your Country and your favorite Thankyou and be blessed it would be very good to hear again from you have a nice time

Yours best friend,
Everline.
